Key Features**Increased Tire Life**

Proprietary temperature control system dissipates heat to prevent breakdown*

Dry Grip Performance

Increased contact patch improves overall tread life

Improved Traction

Ultra-high performance for wet conditions and winter weather

Braking Control

3D sipes offer greater control and tighter cornering

Better Handling

Improved stopping power on both wet and dry surfaces, in any season

Stylish Design

Asymmetrical tread pattern provides flair and function

* Improvements based on internal testing of the Raptis R-T5 vs the Raptis R-T6. On road results may vary. Temperature control system only featured on the Raptis R-T6X.

PERFORMANCE, BY THE NUMBERS**RAPTIS® R-T6**

PASSENGER | SPORT SEDAN

The Raptis R-T6 revs things up boasting the highest traction grading possible with a **500 AA A UTQG rating**, accommodating **16" to 20" rim diameters**, and comes backed by a robust **50,000 mileage warranty** that will keep you on the move all year long.

**RAPTIS® R-T6X**

CUV | SUV

X marks the spot with the Raptis R-T6X. This CUV VIP earns an impressive **600 A A UTQG rating**, accommodates rim diameters of **19" – 20"**, and is backed by a powerful **60,000 mileage warranty** taking you further and faster.

THE PROMISE OF PURE PEACE OF MIND

Covers replacements up to 60,000 mi.

If this tire becomes unserviceable due to a flaw in workmanship or materials, we will replace it at no charge during the first 50% of tread life.

Road Hazard Protection provides free replacement up to two years or the first 50% tread life.

Not satisfied with our ride? We'll provide an exchange for a comparable set of Hercules Tires up to 45 days after purchase.

HERCULES PERFORMANCE PROMISE

The Raptis R-T6 and R-T6X come backed by our industry-leading Hercules Performance Promise*. Comprised of Road Hazard Protection, "Trust Our Ride" 45 Day Trial and Workmanship and Materials coverage, the Performance Promise provides consumers the support they need with their Hercules Tires purchase.
